

# Lucy reaches for the Sky

ANGLER Lucy Bowden has appeared on a popular television show.

Lucy was a guest on Sky Sports' Tight Lines programme earlier this month, joining host Keith Arthur for a chat in the bothy. During her time on the show, Lucy, a Level 2 UKCC licensed Game Angling Coach, spoke about the Fishing for Everyone Ladies Fishing Club - of which she is founder and chairman - her angling career, and also passed on coaching hints and tips.

"I had a great time filming the feature," Lucy said. "Keith Arthur and all of the staff at Sky were lovely and it was a

privilege to have sat in the bothy."

Lucy is planning to expand the Ladies Fishing Club and is also running the school-club links programme at Alnwick's Duchess's Community High School for an hour every week for two months.

Ronnie Givens (S) won.
