

## ANGLING

# Carmelle hooks a milestone

**Carmelle Hook with her first grayling.**

FISHING For Everyone Ladies Fishing Club member Carmelle Hook has landed her first grayling.

Fishing at the first event of 2010 held by the club at the exclusive Tweedwood beat on the river Tweed on Sunday, January 31, Carmelle landed the 45cm Grayling using a pink nymph.

Carmelle said: "The day was fantastic – perfect weather and perfect fishing conditions – it couldn't have got any better until I landed my first ever Grayling!"

Carmelle was one of 11 ladies fishing on the day and all had a good time.

The club would like to thank Ron McCombe, Kevin Pearce and Scott Nellins for their assistance on the day and are looking forward to the year ahead.

The club will hold their next event on Saturday, March 27, at Whinney Loch, near Coldingham.
